

ICEAA Professional Development & Training Workshop
 May 13-15, 2025  Atlanta, Georgia

Sponsorship Prospectus

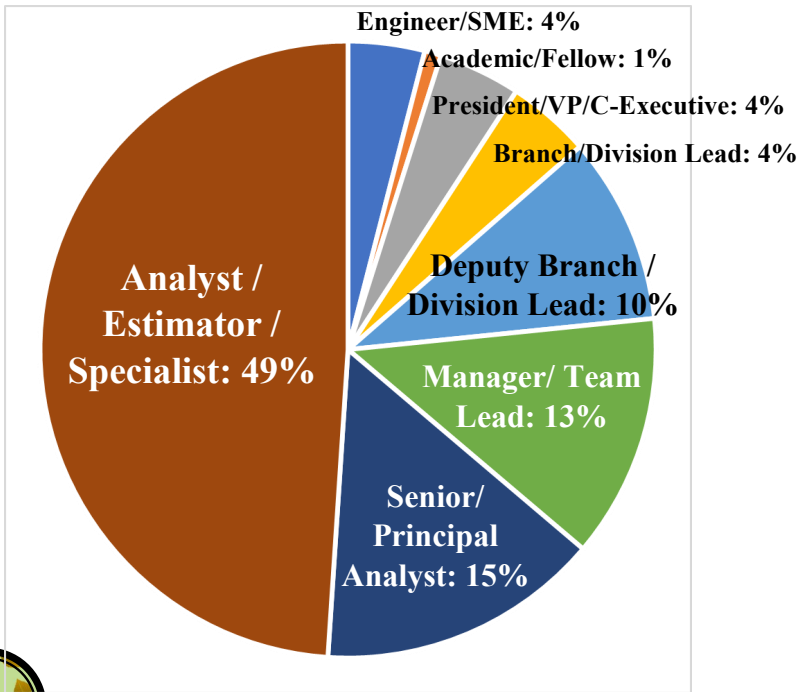

The International Cost Estimating and Analysis Association’s annual Professional Development & Training Workshop brings together professionals from the government, industry, and academic cost communities for an intensive 3-day program dedicated to developing the understanding and appreciation of using data-driven estimating and analysis techniques.

The ICEAA 2024 Workshop exhibit hall will be open for over 30 hours, with 8 hours on the Workshop schedule dedicated for attendees to visit our exhibitors. The limited number of available booths allows for a focused, consultative environment in which you can meet with current and future clients.

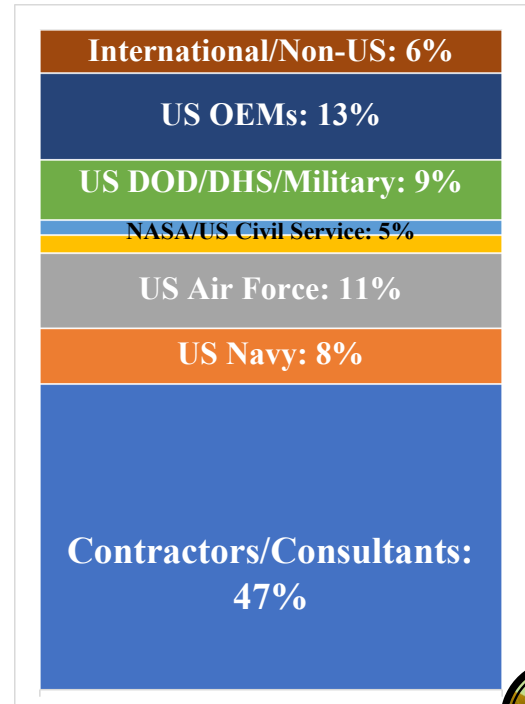

Tuesday and Wednesday’s receptions as well as food buffets and beverage breaks will be served in the exhibit hall among the booths, providing ample time to develop leads. The exhibit hall is centrally located to the breakout session rooms and located inside the general session ballroom.

From 2015-2024 an average of 441 individuals attended the ICEAA Workshop.
